1. I love you, I love you, I love you, I love you.
I love you, I love you, I love you, I love you.
I love you, I love you, I love you, I love you.
Yes I do, I have eyes for only you.

2. I love you, I love you, I love you, I love you.
I love you, I love you, I love you, I love you.
I love you, I love you, I love you, I love you.
And I do, I have eyes for only you.

3. I love you, I love you, I love you, I love you.
I love you, I love you, I love you, I love you.
I love you, I love you, I love you, I love you.
Yes I do, I have eyes for only you.

4. My heart pants after the heart of My people. My heart pants with love for My people. My heart operates by love and pumps My love into every vessel that is open to Me, every vessel, every vessel.

5. I love you. I love you. I love you. I love you.
I love you. I love you. I love you. I love you.
I love you. I love you. I love you. I love you.
I love you. I love you. I love you. I love you.
Yes I do, I have eyes for only you.

6. Ted, My eyes are on you, where are your eyes? What are your eyes on? What Ted, are your eyes on? Yes, your finances—money. And Ted, I'm not money. My eyes are upon you. Place your eyes on Me, on Me Ted, on Me, just Me, only Me, no other, no other, no other thing, no other person, no other admiration or accolade-seeker. Me Ted, your eyes on Me, should be on Me, only on Me, and stay on Me. I am your source. I am your provision. I am your lover.

7. I am your provision. I am. I am. I am. I am not weak and I am not slow. I am not slow Ted. I bring you fully what you need for this moment, the next moment, the next season, and every season.

8. Your eyes Ted, on Me, Me Ted, please, please, please Ted, just Me, no other, no other, just Me, just Me, just Me please. Please get this deeply, deeper, much more deeper, deepest, into your deepest level, the core of your soul, the core of your spirit, the core of how you think and operate.

9. Ted Me. Me Ted. You know this and readers/hearers know this, but the seed of truth is so plucked-upon by birds of prey who say strange things to implement fear into My people.

10. I am provision. I am Me. I am God. And Ted, there is no other. Imposters, yes. Counterfeiters, yes. But Ted, they do not satisfy the emotional fulfillment you seek in Me, is Mine only, to give and impart and be lovers with My admirers, My people—submitted, surrendered, forsaking all others for Me.

11. I am married to My bride Ted. My bride. And that's why I'm coming more and more for My bride and wooing My bride and maturing My bride. Marriage partners always mature their brides. They mature them by giving themselves wholly to each other, and a sweetness, total absolute unselfishness comes forth that is spirit, Me, and matures the willing, the obedient, those in Me who will seek Me for My emotional goodies, My delicacies of the Spirit, to enjoy Me in realms most have not thought of.

12. I love you Ted, and I love pure motives. I love purity of heart. I love submission and surrender and wet clay that I can take and fashion and form into for greater work than the clay can fashion itself.

13. Faith worketh by love Ted. Haven't I said that in my word? [Galatians 5:6 KJV] So many try to have faith but have so little love. They have lots of self-focus, self-exaltation, self-interest, and Ted, it stinks.

14. Love Ted. Love. Love. Love. I call you to love, love Me more, love the unlovely more, love the unlovely more, love the dirty Ted, the dirty ones, love them all. And help them, help them, help them, help who I put in your path. I will guide and discernment I am. I am so much more. I don't leave you alone.

15. I am ever with My bride and I come and I come in glory and I come in splendor and I come in judgment and wrath, for they are not all different. I am one. I am one and I am Me and I come and I call and I lift and elevate those I can escalate into My province, My providence, My piecemeal provision—piece by piece—until I can escalate them into the escalation of My overabundance.

16. Character, integrity, humility, love. Ted, where are My people, My Daniels, My Deborah's, My Gideon's, My Joseph's, My Abraham's, My Moses', who will operate in My integrity—spiritual integrity—financial integrity—promotional integrity—integrity, integrity, integrity? Ted where are they? I tell you where they are. They are waiting for you. They are waiting for you Ted. And they are waiting for the other Ted's and Gary's and Tim's and leaders who will pay a price to stand up and lead and say, boldly, this is the way, walk ye in it, do these things to be free and become free-er and buckle not at the pressures of religionism and control and depressionism.

17. I am lifting, maturing, and provisioning My Daniel's and Deborah's and Ted's, Ted. Today, today, now, even now as you write, even as you write this and readers read this and hearers hear these words. I am pouring My provision into them and bringing My

provision to their hand to operate and do and be My Daniel's and Deborah's and Ted's. And Ted, all this, all this, worketh by love, by love, by love.

18. Faith without love is witchcraft. It's not of Me.

19. I am love. I created love. Love Me for I sure love you. I love you reader/hearer, so very much. Can I get that across to you more, deeper, deeper, deeper in your entire spirit/soul, to even permeate your thinker/mind, so that it's all the way through your core of your entire being? Can I, can I? Yes, that is what I am doing in this word. That is the purpose of My word to you, to Ted, to Ted, for you, today.

20. John, Susie, whatever your name is—I'm calling you to be My Daniel's and Deborah's, My Abraham's, Isaac's, and Jacob's, My Moses' and Joseph's and Paul's and Mark's and Luke's and Matthew's, My Nathan's, My Jeremiah's, My Daniel's, My Daniel's, My Daniel's.

21. Be not afraid. Be not deceived. I am not mocked and My eyes are not dim. My hearing is not heavy. I am and I am alive and well and I come and I come in power, majesty, splendor, and Ted, you haven't seen anything yet, like you will see. You've experienced so little of My power, My presence, but Ted, you will, for you bowed low, so low, when I came at all. When I came and I came, I came, and I'm coming more, so much more, so much more.

22. Oh Ted, you want Me to touch your emotion so deeply, and Ted, I will, and so much more, so much more, so much more Ted.

23. I am provisioning, requisitioning it, as it were, even now, emotion for you to enjoy and revel in and impart in the freedom you've begun, begun to walk in, think in, and operate in, and what you're coming in to.

24. The 75,000 dancing—you will see. You saw it and you will see it. I had you there and I have you here and I will have you there.

25. Bill Sanders is My friend. Anne is My friend. Dot Ward is My friend. And Ted, you are My friend. I have many, many friends who forsook all to follow Me, and join them you will, join them you will in the networks of power, majesty, and splendor—fueled by love, passion, passionate love, displayed passionate love, not hidden passionate love, displayed passionate love, for Me, and for each other, and all the members of My family, and all I died for.

26. Ted, power, power, power. The greatest power is love. Love Ted, love. Ted, love.

27. Increase your power? Increase your power? Increase your love.

28. Tell them Ted. If they want more power they start with love, they go through love, into love, and out by love, to love the lonely, to love the unlovely, to those the lowliest, in perfect absolute submission to My will, My call, using all I gave them, so that I can elevate them on the escalator of My kingdom, and Ted, it operates fast.

29. My escalator is not slow. You don't hold on. You soar. Many escalators are ready, as it were, to escalate My people into elevated positions of—
Power, prestige, prominence,
Power, prestige, prominence,
Power, prestige, prominence, who will operate by love, My love, My love from My heart to My people.

30. Oh Ted, power, prestige, prominence, for My Daniel's and Deborah's—more, more than they imagined.

31. Link them together and accountable be. I will give you many metaphors and pictures of the portraits of My generals and leaders to operate together, synergistically, because of Me, in Me, through Me, because of Me.

32. I told you when you walked in I had much for you today. Not in voluminous words, Ted, as you first thought, and later realized My meaning. I told you, and Ted, this is it. Go back to the beginning of this word and read My words, My heart beating and panting for My people to love My people more in the relationship they seek with Me, so that I can elevate them and escalate them, with speed and power, so they can do what I want done, in integrity, great integrity, absolute integrity, in power, prestige and prominence, My way, My way, for Me, for Me, for Mine, for Me, with Me, with Me, with Me.

33. Go enjoy your lunch with Tom [Mohn] and tell him I am pleased with his efforts and time spent writing what I have given him. Ted, beg him to write more, faster, and give of himself to documenting My truths present in him. Time is short for all I want to do through him and his precious wife, Barbara, who I honor, who I honor, who I honor, in her own right, in her own calling, in her own gifts, in love, as a Deborah, a Deborah, a leader, a leader, and wonderful wife.

Tell them to write and to write together and experience My synergy as they write and teach and preach and hold each other up in the way that I shall show them. Giants they are. Giants they both are. My giants. My giants I am escalating and elevating and globalizing, for Me, for Mine, for My lambs, My lambs, My tender, My wounded, My wounded, My wounded.

Tell Tom to omit nothing and think nothing is unimportant in documenting his story, his life, his path, his leadership, his perceived failures, and his perceived victories. Document all and do it now. Get help. Employ others to work expeditiously to provide the training to others that I want to come from Tom and Barbara. My blessing is there. My provision is there. My healing is there. I am there.

Now go have lunch and be serious only when necessary. Laugh and love and learn in Me with My giant. I love him so dearly, so deeply, so encompassingly, sincerely, tenderly. Elevate him, escalate him in all you do, for he is pure and he is Mine. They are pure and they are Mine. Thank them for Me for their tenderness to My people, their tenderness Ted, their tenderness. They have led, they have stood up and led, with integrity and tenderness and elevating them I am. Enjoy, enjoy them, enjoy them.

34. Ted, I want so much to give more Me to Mine, and connect and elevate and deeply heal and explode them around to My others who need them.

35. Tell them to come to Me—directly, directly, directly—for My nourishment. Teach the thousands to pray, tenderly, tenderly, and dance, and laugh, and learn of Me, directly, and Ted, I will be grateful forever for all you put into My hand, and help their heart touch My heart, and feel My love for them, My love, My love, My deep, deep love.

36. I love them, I love them, I love them, I love them.
I love them, I love them, I love them, I love them.
I love them, I love them, I love them, I love them.
And I do, I have eyes for only them.

37. I love them, I love them, I love them, I love them.
I love them, I love them, I love them, I love them.
I love them, I love them, I love them, I love them.
And I do, I have eyes for only you—you readers and hearers—
You, oh readers and hearers,
You, oh readers and hearers,
My lambs, My children, My people, My family, My brothers, My sisters, My own, My friends.
I love you, I love you, I love you, I love you.
I love you, I love you, I love you, I love you.
I love you, I love you, I love you, I love you.
And I do, I have love for only you.
